A Good Thing.

It quickly cures coughs, colds and lung troubles of the severest nature, removing, as it does, the cause of the affection and leaving the parts in a strong and healthy condition. It is not an experimental medicine, but has stood the test of years, giving satisfaction in every case which its rapidly increasing sale every season confirms. Two million bottles sold annually. Roscher's German Syrup was introduced in the United States in 1888, and is now sold in every town and village in the civilized world. Three doses will relieve any ordinary cough. Price 75 cents. IN ALMA

Every Claim is Backed by Local Testimony.

If the reader wants anything stronger than the opinions and experiences of his neighbors, what can it be?

Vol. M. A. Hanson, of South State Street, says: "I had kidney complaint more or less ever since I was in the army. While in the service I was taken down with a severe attack of diabetes. It became chronic and it was a long time before I got over it. Our medical service at that time was very poor compared with what it was during the Spanish-American War. I finally got over the kidneys and at times a terrible backache was noticeable. About four years ago I made a trip to Des Moines, in Crawford Co., Iowa, and while there I had an attack of kidney trouble. My back ached terribly and a weakness of the kidneys was annoying and distressing. I heard of Doan's Kidney Pills and got a box. They cured me of that attack in a few days. Some little time ago there was a recurrence of the trouble. I had not forgotten the benefit I received from the use of Doan's Kidney Pills in the west, so I went to Bivins & Rhodes' drug store, procured a box, commenced the treatment and began to improve right away. I bought a second one and it stopped the backache and relieved the urinary difficulties. I am not entirely cured, nor do I ever expect to be, as I am 80 years old, but Doan's Kidney Pills never fail to bring quick relief, to patch me up, and to ward off any serious trouble."

Sold for 50 cents per box by all dealers. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name, Doan's, and take no other. 1195-3w
